Oh... I tried drawing this as being a school uniform. It's a uniform from Kashiwa's Girls' High School in Wakayama. I didn't have anything in mind when I drafted this sketch, but in the end I thought I might as well have it take care of my character...

I wanted to draw a picture with those sparkling eyes, and this is how it turned out. She looks a lot like Nagayashiki, doesn't she? She's from a series called "Wakarete ya, itaki" from Shuei around 1980. Well, isn't she?

Yukata

Um... wearing yukata is a big point, but when they're in season I do miss them. Yukata-chan's hair is full in the picture. It looks a bit weird... but it does seem like it could get attention, doesn't it?

π Mashimaro

...no, I don't have a clue what any of this means either
